Thanksgiving Offering Reaches New Peak

$20,000.00 Given To Barium for Building

Final Total From All Sources Estimated To Be More Than $72,000

Churches Have Already Passed the Peak of $56,000 Established in 1942

$6,000 YET TO COME

Miscellaneous Sources Have Been Responsible for $8,000, Which Shows $2,000 Increase

The 1943 Thanksgiving Offering from the Synod of North Carolina has already touched a new all-time high by having exceeded the pinnacle sum of $56,013.38, for on January 17th, $58,265.30 had been received from the churches, with an estimated $6,000.00 yet to be forwarded before the books are closed on the 1943 Thanksgiving response. Besides these donations through church channels, from miscellaneous sources a total of $8,137.50 had been received, for an increase of around $2,000.00 from individuals who send direct and whose gifts are credited to no church.

Thus, $66,402.80 was in hand on the 17th of this month as the combined Thanksgiving response, and with approximately $6,000.00 yet to be received, the final will be between $72,000 and $73,000, which will be a gain of $10,000.00, in round numbers, over the combined church and miscellaneous Thanksgiving sums of 1942.

Besides this increase at Thanksgiving-time, the regular giving for three-fourths of 1943-1944 had shown a gain of $5,540.04. Church budgets were responsible for an increase of $3,258.76 and Sunday Schools had given $2,819.67 more. Auxiliaries had sent $538.39 less, to give the net regular gain of $5,540.04.

Of the 453 completed Thanksgiving reports on January 17th, 356 of the churches had given more than in 1942, leaving but 97 that fell below the previous year's donations. It was particularly noteworthy that 205 churches or missions in the Synod were boasting of their best Thanksgiving donations since the season of 1925.

Fayetteville Family Honors Mother By Making Such a Gift

Messrs Edward W. and Charles King Grannis and Mrs. Mary Grannis McLeod Are Donors

INVESTED IN BONDS

All Building Money at Barium Is Being Invested in Such Securities

Early in January a check for $20,000.00 was received at Barium Springs for the future construction of a cottage, or other building, to be known as the Kate Fields Grannis Building and which is a donation in honor of their mother, Mrs. Kate Fields Grannis, of Fayetteville, by her three children, Messrs. Edward W. and Charles King Grannis, and Mrs. Mary Grannis McLeod, all of Fayetteville.

This gift of $20,000.00 to Barium Springs was part of a $33,500.00 trust fund which the children created in honor of their mother, and which was forwarded to the respective participants through the trustees of the First Presbyterian Church in Fayetteville.

Others sharing in the funds included $6,000.00 for the Fayetteville First Presbyterian Church, to be used for the erection and equipment of a recreation room; $5,000.00 to the Presbyterian Junior College for a scholarship fund, and $2,500.00 to Flora Macdonald College, also for a scholarship fund.

The trust agreement between the donors and the Trustees of the Fayetteville First Church pertaining to the $20,000.00 sent to Barium Springs specifically read:

"The check for the sum of $20,000.00 is to be transmitted to the Trustees of the Presbyterian Orphanage, located at Barium Springs, North Carolina, now owned and controlled by the Synod of North Carolina. The said sum is to be used by the Trustees of the Orphanage for the erection of a cottage, or other building, for the use of the orphans located in said orphanage; and it is the request of the Trustors that it be designated as

Church Bonds Have Advanced to $26,100

One Large Gift of $500.00 Is Among Others Available in Recent Purchases

On January 17th, the maturity value of bonds in the possession for a proposed church and educational building at the Presbyterian Orphans' Home was $26,100.00, and there was $68.55 of cash on hand, which was almost enough to buy another $100.00 security. This is an increase of $1,600.00 in bonds and $12.00 in cash since December 9th.

When it is remembered that the Home owned $15,100.00 of bonds on April 1st, then it is realized that these securities have climbed over $11,000.00 in a little over nine and a half months. An increase like that over a period of a few years would give the necessary money for the project that is contemplated.

Three $25.00 bonds were sent direct. One came from Mrs. W. H. Sullivan, of Greensboro, and another friend gave the other two as a Christmas gift, with the request that the name of the donor not be revealed

Money specifically given by individuals without any memorial thought behind them included $18.75 from a Class in the Rocky Mount First Church for a bond; a like amount from friends as a Christmas gift for another bond; $500.00 from L. Young White, of Mooresville, and $1.00 from another individual.

The balance of the bond purchases was possible because of the regular memorial contributions received at Barium Springs. Some

BIRTHS

Sergt. and Mrs. Edward L. Oliver announce the birth of a son, Edward Lee, Jr. on November 30, 1943. Mrs. Oliver is at her home, 117 W Avondale, Greensboro, while Ed. is at Harrington, Tex.

Mr. and Mrs. Ed. Cole, of Statesville, announce the birth of a son, Charles Howard, in January. Both of these were reared at Barium, Mrs. Cole being the former Sallie Farmer.

FUNDS FOR GYM

In his address to the congregation of the Greensboro First Church just before Thanksgiving, Jos. B. Johnston, superintendent of the Home, mentioned the need of a gymnasium at Barium Springs, explaining that all the facilities now available here was the auditorium which was converted into a basketball court during the season for that sport.

Since Mr. Johnston's appearance in Greensboro, two friends in that city have sent respective contributions of $50.00 and $25.00, which constitutes a nucleus of $75.00 toward this project. These funds were placed in the capital fund, and other donations for a gymnasium will be so placed, too.

The government now has the use of the $75.00 contributed, and it will also temporarily have other such funds, since all building money is being placed in government securities.

GOOD NEWS

Shearer's Chapel Sunday School, in Concord Presbytery, has adopted the plan of giving Barium Springs one Offering each month, this being the first time that Sunday School has ever used it.

Ashpole Sunday School, in Fayetteville Presbytery, has been following the offering-per-month plan since last February, but this was not known at Barium Springs until a gift was received for the months of February through November. This Sunday School once followed the procedure, so this can be considered a re-instatement of it.

Because so many more Sunday Schools are helping on a regular basis, and because others have been showing increases, the Sunday Schools of Synod together had shown an increase of $2,819.67 in the regular giving for nine months of 1943-1944 as compared with three-fourths of 1942-1943.

WALLACE COTTAGE

This is Wallace Cottage bringing you the latest news.

Santa Claus has already come and gone. We want to thank everybody for the nice things they sent us.

Douglas Ryder, one of our "little" boys, is one of the best basketball coaches around here. He took a short vacation over the holidays and had a good time.

Earl Allen must have found something he likes up in Statesville because he goes up there every chance he gets. Is that right, Charlotte?

Bennie Gregory and Dallas Ammons have gone to look in their rabbit hollows, or rather they have gone to look in somebody else's.

"Snake" Blake has got him a girl now. You can't find him in his room or on the "Hall" anywhere.

Scott Blue is practicing up for the 125-pound team. He will more than likely be captain.

Wilbur Coates, Earl Allen's roommate, drinks all of the chocolate milk that is made up here.

Jack Jones finally changed his sox and Ryder sure was glad. He got Jones' old sox.

Tommy Hayes is a new boy over here.

"General" Grover Ingram and "Admiral" David Burney came to see the boys and Dwight Spencer made good use of the sleeping porch while they were here.

Charles Smith is quite a studious boy nowadays. He is one of the better students of Wallace Building.

Will fold. So long.

LOTTIE WALKER

The kindness of many people made our holidays most joyous. The management of the theaters in Statesville, with their usual thoughtfulness, gave theater tickets which were presented at the Christmas Eve tree which has become a tradition on the campus. This year the scouts prepared and presented the treats of fruit, candy and nuts.

On Christmas morning we awoke about 5:30 to find that Santa had already come and gone, leaving behind an assortment of lovely things. Our tree, being rather small, was practically hidden by the array of packages. After singing carols we received our packages and were delighted with the manner in which our friends had remembered us. Each year our many neighbors excell themselves in their generosity to us. The love and good will of our many friends is what makes Christmas for us.

During the holidays we enjoyed our tickets to the fullest extent. Mr. Sams always takes this way to say Merry Christmas to us. We appreciate this and the many other times that he remembers us throughout the year.

We had several small parties during the week following Christmas. Each class had an evening of fun. It was cold and clammy and we enjoyed the open fire very much. A variety of entertainment, including cards, various table games, contests and dances, filled the evenings.

On New Year's Eve everyone in High School enjoyed a square dance at the gymnasium. After light refreshments, we went down to the church for the annual night watch service. Under the guidance of our minister, Mr. Cook, we participated in a very simple but inspiring service. Thus together we saw the new year dawn.

May we take this opportunity to wish each of you, our friends, a very prosperous new year and much happiness.

SYNOD'S COTTAGE

Dear Friends,

We would like to wish all of you a very happy New Year.

We had such a wonderful Christmas. Everybody was so good to us. Our friends all over the state were just grand to us.

Santa put our toys under our beds this Christmas, and we waked up real early Christmas morning and found them there. Oh! boy! did we make a lot of noise. Miss Taylor said it was a regular bang - bang Christmas. We played soldier all day long. Some of the boys got the nicest soldier and cow boy suits. Wish you could see how nice they look in them.

Since everybody had been so good to us, we thought we would like to make somebody else happy. So we played Santa to a colored family that lives close by. We had more fun going to town to buy their presents. Then we all helped fix them up real pretty. We knew they were just as happy Christmas morning as we were.

We are all working hard in school so we will have good report cards.

One of our boys had his tonsils out last week, Gene Thomas. He was real good at the hospital and didn't fuss a bit.

Dewie Belle Buie, one of our big girls, had a visit from her mother. We like Mrs. Buie a lot; she's so sweet.

—The Wigglers.

RUMPLE HALL

Hello Friends,

I know I'm not going to be able to tell you all the good things that have happened to us during the past month.

We don't know all of those who played Santa Claus to us but whoever they were they sure were good to us.

Mr. Stowe, of Belmont, gave us some orange and grapes, and we wish to thank him for them. Mr. Stowe is a real good friend of ours and he never forgets us and we never forget him, either.

Christmas morning at six o'clock Mrs. Thompson, our sweet matron, played a Christmas carol and we all jumped up out of bed and ran into the sitting room where the Christmas tree was. We all knew where our presents were because we had put our names where we wanted our presents placed and Santa was real nice to us for he put them where our names were. We all got a lot of presents so no one was disappointed. We were all very happy.

During the Christmas holidays most of us went to the basketball court and had a real good time. I think we all like basketball.

The teachers have already started coming back so we had better be getting ready for school.

We all want to thank Mr. Sams for the show tickets that he gave us for Christmas, and we thank Mrs. Blair for the $1.00 she gave each one of us.

Here's wishing you all a happy New Year.

—Elsie Vest.

JOHNSTON COTTAGE

Dear Friends,

Since we last wrote you we have been doing big things. We all had a very nice Christmas, thanks to you folks.

Buster (Gadget) Myatt is in the Infirmary. We sure do miss his blowing all our fuses.

Jack Caldwell is now one of the Gopher Gang.

John Whiting is still having girl trouble.

Amos Hardy spent Christmas at the Infirmary and we sure did miss him.

"Pee Wee" Reid has been promoted from sweeping the floor at the printing office to cleaning the the press.

I guess we have shot enough bull, so, so long 'til next time.

REMEMBERING THE ORPHANS.

From The Charlotte Observer.

The approach of Thanksgiving suggests to different people different forms of commemoration, but to all it should suggest the day as being an occasion for remembering the orphaned boys and girls of our State in whatever institutions they may be located.

Particularly in this community and general area of Presbyterianism, the needs of the Orphans' Home at Barium Springs come to mind at this time, and Thanksgiving Day will be marked by the annual collections in the churches for this worthy cause.

This institution last year received a total of $62,000 as a result of contributions from the Thanksgiving offerings— $56,000 from the churches and $6,000 in individual gifts.

That represented more than one-half of the total income of the Barium Springs Home during the entire year, a circumstance which illustrates how dependent it is upon these particular remembrances.

The needs there now are no whit less than they were last year and the opportunity, therefore, for liberal support from these thank-offering just as challenging.

Indeed, the entire program of its activities for another year will be determined in large measure by the generosity of its friends on Thanksgiving Day.

Other similar institutions in the State may not be quite so utterly dependent for their support upon these particular contributions, but there is not a one of them which is independent of such free-will aid as is thus represented.

And each denomination which sponsors institutions of this kind will have both the privilege and challenge this week to "remember those in bonds" in these several well-operated Christian agencies for the homeless and the parentless boys and girls who receive their beneficent ministries.

Contributions made to such worthy causes are verily like unto the "bread cast upon the waters," returning in due time laden for those who receive of the bounties of a kindly and Christian charity.

Due to the crowded condition of December's Messenger we were unable to re-print an appreciated editorial which appeared in The Charlotte Observer just before Thanksgiving. While that special season has passed, some of the things said by The Observer editor are applicable to the whole 12 months, and then we would like for the entire Presbyterian constiuency in this Synod to have access to the comments made by an outside party about this Home at Barium Springs.

HOWARD COTTAGE

Hello Friends,

Here we are back with you again bringing you the cottage news.

We sure did have a good Christmas and hope you did, too.

We want to thank Mr. Sams for giving us the show tickets. We went to the show to see "Mr. Mugs Steps Out". Boy, was it good? Thank you, Mr. Johnston and Mr Sams.

Two new girls have come in since the last time we wrote. We are very glad to have them stay at Barium. Their names are Vally Brown and Annie Elizabeth Hendrix.

The following girls have had visits from their people: Annie Elizabeth Hendrix, Kathleen and Edna Ellis and Louise Campbell.

We sure were glad to see the snow. We have fun in the snow.

The following girls made the honor roll: Hazel Creech, Shirley Inman and Louise Campbell.

Annie Elizabeth Hendrix brought her little dog named "Snuffy". We sure do have fun with him.

Mary Frances Price had her tonsils taken out. She is back with us now. We are glad to have her back with us.

Miss Hardin is in the hospital and we miss her very much and we hope she will be back before long.

Your Friends,
The Bean Stringers

INFIRMARY

We had a Merry Christmas and received lots of gifts. We didn't have a white Christmas, but the following Sunday when we awoke the ground was covered with show. We had an icy Christmas and it was lots of fun skating and falling on it.

Amos Hardy was our Santa Claus and this is the first time that our Santa wasn't fat.

We want to thank all of our many friends and folks who made our Christmas such a happy one.

Our teachers are all back from their holidays and from their reports they all had a nice Christmas.

We are glad to report that Amos Hardy, who has been with us quite a while now, is recovering fast.

For three weeks during December we didn't have any patients, but at the present time we have 47, most of whom have the measles. And, let me tell you, the girls here at the Infirmary are really busy. One patient, Lee Vinson, has a sprained ankle. You should know that she is one of our "all-star" basketball girls. The girls lost one of their games on account of this missing member. Can you imagine that?

Dot Maples has a boil on her eye and, boy, is it painful? But, this doesn't affect her eating.

Now you can see that the Infirmary girls are going through a "work-out", and how. We are a cheerful group of girls and you can always depend on us to do our job.

—The Infirmary Girls

Alumni News

Mr. and Mrs. A. C. Gant, of Pensacola, Fla. announce the birth of a daughter, Doris Eloise, on December 8, 1943. "A. C." is in Squad 4 of the Gunnery Range, USNATC, Borin Field at Pensacola.

Lt. and Mrs. David Neiffer Bender, 3 Lake Forest Parkway, Wilmington, announce the birth of a daughter in January. Mrs. Bender is the former Alice Jones.

NEW RECRUITS

Five more Barium alumni are now known to be in the services, some of them having been connected with Uncle Sam for some time. The five are Dick Griswold, a chief carpenter's mate in the Navy; Tony Alessandrini, William Billings, and Robert Wimberly in the air corps, and Evelyn Billings who has recently enlisted in the Army Nursing Corps, but who will have to complete her training first before being on active duty. This makes 184 alumni aligned with which officials are acquainted. Probably there are others about which we do not know at present.

PROMOTIONS

Promotions occurring since the last issue of The Messenger include Dewey Barnhill, Joe Johnston and A. D. Potter to captaincies; Grover Ingram and Bryson Stinson to corporals; Marjorie Lail to corporal in the Wacs; Clyde Johnson to private first class; James Shroyer to AMM 1-c, and Wallace Twombly to S 1-c.

VISITORS

Among alumni visitors here during the past month were Paul Horne, Donny Bolton, Grover Ingram, Bob Johnston, Leila Johnston, Ernest Stricklin, Marjorie Lail, David Burney, Mrs. Nellie Johnson Summers and Louise Martin.

PERSONALS

In the December Messenger we announced the marriage of Mary Parks Allen to Master Sergeant Walter Howe, and it is with deep regret that announcement has to be made in this issue of the death of this officer in a plane crash at Boise, Idaho on January 8, 1944. They had been married seven weeks. The funeral was held at Scranton, Pa. Mrs. Howe will later return to Charlotte, where she was making her home before her marriage.

Information has come to Barium of the death of Mr. L. J. Boyle on November 11th. Mr. Boyle was the husband of Vanilla Bolden Boyle, who lives with her three children at 612 3rd Avenue, S. E., Cedar Rapids, Iowa. Mrs Boyle's oldest child is a son 16 years of age.

The above was clipped from a Washington (D. C.) paper, and sent to Barium Springs by relatives of Sgt Ray Norman, who did not know anything of the award until they read it in the newspapers. No doubt this is also true of other alumni who have been decorated, but whose reticence has kept the Barium people unaware. If anyone knows of such awards to those who were once at Barium, such information will be gladly and heartily received here, publicly announced and added to the case history of this individual on file at Barium Springs.

'The Kate Fields Grannis Building'."

Each of the three children accompanied identical letters to Barium Springs in which they expressed a thankfulness that their mother was still living and was in good health.

Since it is impossible to do any building at the present time, and in their letters the three donors advised against using their $20,000.00 until the period of inflation had passed, this gift has been invested in government securities, which is the disposition which has been made of all building fund money that has been coming to Barium Springs during the past several years.

Besides this $20,000.00 which was promptly placed in government securities, the Home here possesses $26,100.00 (maturity value) of government bonds toward a new church; and funds of $10,000.00, 7,000.00 and $9,550.00 for three small cottages of a proposed children's village have also been invested in government bonds. Still other funds, labeled for specific things, have been placed in this type of security.

Among the Presbyteries, two of them had already gone beyond their finals of 1942. These were Concord with an increase of $2,580.84 and Granville with a gain of $814.32. It is estimated that all Presbyteries, except one, will give more than in 1942, and even that Presbytery might have supplementary Offerings which will put it over the top. A better picture of this can be obtained in next month's Messenger.

Through December 31st, the following from each Presbytery, compared with the final of 1942, had been received:

Presbytery	Through Dec. 31, '43	1942 Final
Albemarle	$ 2,258.48	$ 2,311.20
